Room At the End of the World

Bon Jovi

There's a room at the end of the world
Where my secrets go to hideThere's a room at the end of the world
Where I'll wait for you tonightWhere the roads all go to end
Where lost Valentines get sent
Where a rose comes back to life
Where young love never dies
Where we never say goodbyeDon't say no, just give in
Close your eyes, there's no sin
Don't hold back, just let go
Take your time, take it slow
It's me and you in our room at the end of the world
There's a room at the end of the world
Where your memories are safe
There's a room at the end of the world
Just gotta have some faithWhere all prayers go to be heard and the truth will have its turn
Take a look into these eyes, there's no place I'd rather be tonight
No place I'd rather be tonightDon't say no, just give in
Close your eyes, there's no sin
Don't hold back, just let go
Take your time, take it slow
It's me and you in our room at the end of the worldThere's no looking back in our room
Fade to black
There's a room at the end of the world
That I hang on to
There's a room at the end of the world
Where I wait for you,
I'll wait for youDon't say no, just give in
Close your eyes, there's no sin
Don't hold back, just let go
Take your time, take it slow
It's me and you in our room at the end of the worldWhere I wait for you in our room
Dreams are coming true in our room
It's just me and you in our room.
