Rolling in the Deep

Adele

There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the dark
Finally, I can see you crystal clear
Go ahead and sell me out and I'll lay your ship bare
See how I'll leave with every piece of you
Don't underestimate the things that I will doThere's a fire starting in my heart
Reaching a fever pitch and it's bring me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathlessI can't help feeling
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat(Tears are gonna fall, rolling in the deep)Baby, I have no story to be told
But I've heard one on you and I'm gonna make your head burnThink of me in the depths of your despair
Make a home down there as mine sure won't be shared
The scars of your love remind me of us
(You're gonna wish you never had met me)They keep me thinking that we almost had it all
(Tears are gonna fall, rolling in the deep)
The scars of your love, they leave me breathless
(You're gonna wish you never had met me)
I can't help feeling
(Tears are gonna fall, rolling in the deep)
We could have had it all
(You're gonna wish you never had met me)Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall, rolling in the deep)Could have had it all
Rolling in the deep
You had my heart inside of your hands
But you played it with a beating
Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You'll pay me back in kind and reap just what you've sown

(You're gonna wish you never had met me)
We could have had it all
(Tears are gonna fall, rolling in the deep)
We could have had it all
(You're gonna wish you never had met me)
It all, it all, it all
(Tears are gonna fall, rolling in the deep)
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall, rolling in the deep)
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
But you played it
You played it
You played it
You played it to the beat.
