For Your Love

Peter Brown

There is nothing I wouldn't do for your love
'Cause you shine as bright as the stars up above
I'd climb the highest mountain
I'd swim the deepest sea
There is nothing I wouldn't be for your loveFor your love
For your love
For your loveThere is nothing I wouldn't do for your touch
Never dreamed
That one woman could please me so much
If you were an illusion
You couldn't take control
I'd sell my very soul for your love
For your love
For your love
For your love
If I should live forever
I'd never be untrue
There is nothing I wouldn't do for your loveFor your love
For your love
For your love
