Save Rock and Roll (feat. Elton John)

Fall Out Boy

Until your breathing stops, stops, stops
Until your breathing stops, stops, stops
Until your, your, your, your, your forever, forever
I need more dreams
And less life
And I need that dark
In a little more light
I cried tears you'll never see
So fuck you, you can go cry me an ocean
And leave me beYou are what you love
Not who loves you
In a world full of the word yes
I'm here to scream
No, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and roll
Rock and roll, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and rollBlood brothers in desperation
An oath of silence
For the voice of our generation
How'd it get to be only me?
Like I'm the last damn kid still kicking
That still believesI will defend the faith
Going down swinging
I will save the songs
That we can't stop singing
No, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and roll
Rock and roll, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and rollOh no, we won't go
'Cause we don't know when to quit, oh ohOh no, we won't go
'Cause we don't know when to quit, oh ohOh no, we won't go
'Cause we don't know when to quit, oh ohOh no, we won't go
'Cause we don't know when to quit, oh ohYou are what you love
Not who loves you

In a world full of the word 'yes'
I'm here to screamNo, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and roll
Rock and roll, no
Wherever I go, go
Trouble seems to follow
I only plugged in to save rock and rollOh no, we won't go
We don't know when to quit, oh ohOh no, we won't go
We don't know when to quit, oh ohNo, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll
No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll
