You Make It Real

James Morrison

Mmmmm
There's so much craziness, surrounding me
There's so much going on, it gets hard to breathe
When all my faith has gone, you bring it back to me
You make it real for meWhen I'm not sure of, my priorities
When I've lost site of, where I'm meant to be
Like holy water, washing over me
You make it real for meAnd I'm running to you baby
You are the only one who saved me
That's why I've been missing you lately
Cause you make it real for me
When my head is strong, but my heart is weak
I'm full of arrogance, and uncertainty
When I can find the words, you teach my heart to speak
You make it real for meee, yeaaaAnd I'm running to you baby
Cause you are the only one who saved me
That's whyyy I've been missing you lately
Cause you make it real for meOhhh
Everybody's talking in words
I don't understand
You got to be the only one
Who knows just who I am
You're shinin' in the distance
I hope I can make it through
Cause the only place
That I want to be
Is right back home with you
I guess there's so much more
I have to learn
But if you're here with me
I know which way to turn
You always give me somewhere,
Somewhere I can run
You make it real for meAnd I'm running to you baby
Cause you are the only one who saved me
That's why I've been missing you lately
Cause you make it real for meYou make it real for me
