Good Woman

Cat Power

I want to be a good woman
And I want for you to be a good man.
This is why I will be leaving
And this is why I can't see you no more.
I will miss your heart so tender
And I will love this love forever.I don't want be a bad woman
And I can't stand to see you be a bad man.
I will miss your heart so tender
And I will love this love forever.And this is why I am leaving
And this is why I can't see you no more.
This is why I am lying when I say
That I don't love you no more.
Cause I want (to) be a good woman
And I want for you to be a good man.
